

## TERASAKI ELECTRIC (EUROPE) LTD.

YOUR REF:

OUR REF:

### **Manufacturer's Authorization**

**UK, Glasgow, July, 2013**

*Terasaki Electric (Europe) Ltd., 80 Beardmore Way, Glasgow. G81 4HT. Registration number 307759, hereinafter referred as the Manufacturer: represented by General Manager, Georgie Smith.*

Authorizes

ETI Elektroelement d.d., Obrezija 5, SL-1411 Izlake, Slovenia, reg. no. 5042178, hereinafter referred as the Seller

To sell down stated products ordered by the Seller under ETI brand name.

- 1) The Manufacturer hereby confirms that down stated type designations used by the manufacturer and type designations used by the Seller designate identical products. The products are fully identical, except the outside differences in printing. Stated products are in regular serial production in accordance with catalogue "13-I61EU".

2) The Manufacturer is authorizing the Seller to certificate above stated products and

- to apply for certification of production,
- to receive and sign documents in front of certification bodies,
- to receive and be the holder of conclusions, test reports, certificates on serial production,
- to file requests and perform activities needed for accomplishment of present authorization.

3) The above mentioned products fulfil the requirements of the following regulations:

*Low voltage directive: 72/23/EEC*  
*EMC Directive: 89/336/EEC*  
*RoHS Directive: 2002/95/EC*

*The above mentioned products fulfil the requirements of the following standards / specifications:*

*EC Standards*  
*as shown in the test reports: EN 60947-2 (2001) or EN 60947-3: 1999/A1:2001*

*IEC Standards*  
*as shown in the test reports: IEC 60947-2 (2001) or IEC 60947-3: 1999/A1:2001*

*Other Standards*  
*as shown in the test reports*

4) The Manufacturer hereby confirms that there weren't constructional changes, changes of material or technology that should significantly affect product characteristics or parameters of stated products from the moment above mentioned test reports were issued.

5) The Manufacturer takes legal responsibility for stated products toward the Seller.

6) The Manufacturer hereby confirms that the Seller is allowed to perform quality audit of Manufacturer's production and other supporting processes for stated products. On notification of the Seller the Manufacturer will take measures to eliminate reasons for eventual quality claims.

7) The Manufacturer will notify the Seller in advance of any relevant constructional change, change of material or technology that will affect stated products characteristics or parameters. Such changes should not worsen products characteristics or parameters what should be supported by relevant test reports.

**Manufacturer's Authorization**

8) This authorization is coming into power on date of signature and is valid for 3 years.

For the manufacturer:

George Smith

For the Seller:
